Train your own staff !

Recognised training that prepares YOU to deliver training and assessment in YOUR workplace.

Topics covered include:

- * Design and develop learning programs
- * Plan and organise training
- * Group based learning
- * Individual learning
- * Work-based learning
- * Assessing competence

When: 5 days between March & May 2009

Where: DPI – Knoxfield, 621 Burwood Hwy
Melways 73, C1

Cost: \$1900 GST Free (Vic Gov subsidy)

For more information please contact:

Barry Dignam

(b) 9210 9360

(e) barry.dignam@dpi.vic.gov.au

(w) [Agtrain website](http://www.agtrain.com.au)

Farm chemical user course

Those handling agricultural chemicals need to complete this course to apply for an Agricultural Chemical Users Permit (ACUP) before using S7 agricultural chemicals.

Your ACUP expires after ten years so make sure your qualification is up to date

Accredited training meets Cert III standard.

This course will help you use farm chemicals safely and effectively. You will also learn of your obligations under Victoria's new chemical regulations.

When: 10 & 11th March 2009,
8:30am – 5:00pm, 2 days

Where: DPI-Knoxfield, 621 Burwood Hwy
Melways 73, C1

Cost: \$260 GST Free

For more information please contact:

Sheridan Williams
