## Vegetable Growers Golf Day 2010

A quality field of 25 teams enjoyed a truly great day of golf at the magnificent Lang Lang Golf Course on 6<sup>th</sup> August 2010.

Early showers challenged many golfers who set off on the Ambrose competition, but the sun shone through during the second nine and score cards improved dramatically.

Congratulations to the eventual Winners, 'The Rum Runners', Robert Jamieson, Sean Campbell, Leon Heinze and Luke Dalton.

Runners Up, just one stroke behind, were the team from 'Favero Gardens', Gary Kemperman, Bill King, Chris Simmon and David Favero.

The raffle raised over \$350 for the Waverley Auxiliary of the Royal Childrens Hospital. We gratefully acknowledge the fantastic generosity of our industry sponsors who made this great event possible.
